

LEBANON HIGH SCHOOL ALUMNI ASSOCIATION
PO BOX 911
LEBANON, NH 03766

The Alumni Association has, in its treasury, monies your class had remaining in your class account through your high school years.

These funds can be accessed during any year that you celebrate a reunion and used in the following ways:

1. This money can be used for this year's float building. Any requests for reimbursement need to be accompanied with original store receipts. (Up to \$500/year)
2. Donate to the Alumni Association to help ensure its' continued existence.
3. Donate to the Alumni Association Scholarship fund.
4. Reactivate old awards - there are several awards given on Awards night that used to have a monetary value. You could reestablish one or more of them through the high school guidance office.
5. Dollars for Scholars donation - this fund is always in need of donations.
6. Donate to any local non-profit charity/organization.

In order for your class to make donations, we require at least **25 class member signatures** to accompany your request for distribution of funds. These signatures may be collected electronically. The request and signatures must be given to the Alumni Association on Alumni Day. You may mail everything to the address above, email to alumni@lebnhalumni.com, or drop it off at our dues tent in the park on Alumni Day before 2:00 pm.

In order to be reimbursed for float expenses, the original receipts (up to \$500) must be either mailed to us or dropped off at our dues tent on Alumni Day. Signatures are not required for reimbursement. Please remember to include the name and mailing address of the person receiving the reimbursement check.
