**CLASS MONIES ACCOUNTS**

Class Monies are donations collected from the community while you were in high school. The Association is still holding funds for some classes that did not spend all of their donations collected while in school.

These funds can now be used for the purpose of building your class float for the Alumni Day Parade, or donated to a local non-profit organization.

We are phasing out this account as each reunion year comes around.

1990, 2000, 2005 and 2010 will have to disburse all funds by Alumni Day 2020.

1991, 1996, 2001 and 2006 will have to disburse all funds by Alumni Day 2021.

Below is the list of classes for which we are holding funds:
